

ORDINANCE NO. 1539

AN ORDINANCE AMENDING CHAPTER XV, ARTICLE 2, SECTION 15-207, CHANGING AND INCREASING ELECTRICAL SERVICE CONNECTIONS/TAP FEES, OF THE ORDINANCE CODE OF THE CITY OF COLBY, KANSAS

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF COLBY, KANSAS:

SECTION 1: The following section is hereby repealed:

15-207 SERVICE CONNECTIONS. TAP FEES. The applicant for a new electrical service installation shall pay to the City of Colby, Kansas, for a standard light and heat service drop, the following listed tap fees:

- (A) Temporary electrical tap fee\$50.00
- (B) Single phase - 0-100 ampere requirement\$150.00
- (C) Single phase - 101-200 ampere requirement\$225.00
- (D) Single phase - 201-400 ampere requirement\$375.00
- (E) 3 phase 100-200 ampere requirement\$800.00
- (F) 3 phase 201-400 ampere requirement\$1,200.00
- (G) 3 phase - 401-599 ampere requirement.....\$1,500.00
- (H) 3 phase - 600-799 ampere requirement.....\$1,850.00
- (I) 3 phase - 800-899 ampere requirement.....\$2,500.00
- (J) 3 phase - 900 and over ampere requirementThe tap fee shall be negotiated with City, based upon actual cost of operation.

The above fees shall include cost of labor and materials for installing service at the service connection point. The City shall supply the meter and meter socket and the property owner shall be responsible for installation of meter and underground wiring from the service connection point to the owner's place of business or home through the property owner's contractor, at his expense. (The service materials installed up to the service connection point shall be owned by the City from the source to the service connection point and shall be maintained by the City at all times.) The meter and meter box shall be provided upon presentation of the electrical contractor's permit to install electric service at the specific job site. The City shall not install underground electric wiring for service on private property, but will install new overhead where existing wire is replaced.

SECTION 2: Section 15-207 of Chapter XV, Article 2 of the Ordinance Code of the City of Colby, Kansas is hereby amended as follows:

15-207 SERVICE CONNECTIONS. TAP FEES. The applicant for a new electrical service installation shall pay to the City of Colby, Kansas, for a standard light and heat service drop, the following listed tap fees:

- (A) Temporary electrical tap fee\$50.00*
- (B) Single phase - 0-100 ampere requirement\$175.00
- (C) Single phase - 101-200 ampere requirement\$500.00
- (D) Single phase - 201-400 and greater ampere requirement.....\$1,000.00
- (E) 3 phase 100-200 ampere requirement\$2,500.00
- (F) 3 phase 201-400 ampere requirement\$3,500.00
- (G) 3 phase - 401-600 ampere requirement.....\$6,000.00
- (H) 3 phase - 601 and over ampere requirementThe tap fee shall be negotiated with City, based upon actual cost of operation.

*A Temporary Tap is a \$50.00 minimum. Additional expenses will be extra (e.g., setting poles, mounting meter cans, etc.), based on actual cost of service and material.

NOTE: These rates are for taps off of existing service. Any extension of existing service will include the cost of materials such as primary line and additional poles and will be negotiated with the City for actual cost.

The above fees shall include cost of labor and materials for installing service at the service connection point. The City shall supply the meter and meter socket and the property owner shall be responsible for installation of meter and underground wiring from the service connection point to the owner’s place of business or home through the property owner’s contractor, at his expense. (The service materials installed up to the service connection point shall be owned by the City from the source to the service connection point and shall be maintained by the City at all times.) The meter and meter box shall be provided upon presentation of the electrical contractor’s permit to install electric service at the specific job site. The City shall not install underground electric wiring for service on private property, but will install new overhead where existing wire is replaced.

SECTION 3: This Ordinance shall take effect and be in full force from and after its passage and publication in the official city newspaper.

PASSED BY THE GOVERNING BODY AND SIGNED BY THE MAYOR, this 17th day of June, 2014.

Gary L. Adrian, Mayor

ATTEST:

Joni L. Ketchum, City Clerk
